

CURRICULUM VITAE

Christian Olsson MD, PhD

Board member

The Swedish Shoulder and Elbow Society (SSAS), section of the Swedish Orthopedic Society (SOF)

National registries

The Swedish Shoulder Arthroplasty registry
The Swedish Shoulder Instability registry

Education

University Medical Degree (MD)

at Lund University in Sweden, June 9 1992

License to practice by the Swedish National Board of Health and Welfare in Sweden
November 18 1994

Specialist of Orthopaedics 2000-03-02

Doctor of Philosophy (PhD) (Faculty of Medicine)

“Studies on patients with a proximal humerus fracture
with special reference to mortality, fragility, morbidity and outcome”
Lund Sweden, April 28 2005

Consultant 2006-12-06

Appointed “**Ordinary member**” in the European Society for Surgery of the
Shoulder and the Elbow 2007

Research education

“The electronic library” University of LUND 2002-12

“Communication” University of LUND 2003-03

“Research ethics” University of LUND 2003-06

“Statistical methods in clinical research” University of LUND 2003-05

Instructor course for physicians 2008

Employments as physician

Dep. of Surgery, Piteå Hospital

1991-06-24--1991-09-05

Dep. of Surgery, Piteå Hospital

1991-10-29--1991-11-05

Dep. of Orthopaedics, Växjö Hospital	1992-06-15--1994-10-31
Dep. of Orthopaedics, Ljungby Hospital	1994-11-01--1995-11-31
Dep. of Orthopaedics, University Hospital MAS	1995-12-01--1996-04-30
Dep. of Orthopaedics, University Hospital MAS	1996-05-01--2000-02-29
Dep. of Orthopaedics, University Hospital MAS	2000-03-01--2015-05-10
Orthocenter Skåne	2015-05-11—...still...

Employment as physician abroad

Bhumibol Adulyadej Hospital Bangkok THAILAND 2001-11–2001-12

Landeslinik für Unfallschirurgie und Sporttraumatologie Salzburg
ÖSTERREICH 2002-01–2002-02

Danish Authorization to practice independently as Physician 28 Aug 1998

Norwegian Authorization as a Physician 26 June 2003

International major meetings

Advanced Arthroscopy Course Courmayour Italy 1998

American Academy of Orthopaedic Surgeons, AAOS New Orleans USA 1999

Edinburgh International trauma Symposium Scotland U.K. 2000

Edinburgh Advanced Shoulder Arthroscopy Meeting Scotland U.K. 2002

2nd Annual Arthroscopic Shoulder Techniques Annecy France 2003

Advanced Instructional course Shoulder surgery Cadaver workshop, Naples
Florida USA 2004

Congress of NOF, Reykjaavik, Iceland 2004

Proximal Humerus Fractures, Annecy France 2005

Shoulder training course, Liverpool U.K. 2005

8th EFORT Congress, Florence Italy 2007

10th International Congress of Shoulder and Elbow Surgery (ICSS)

Bahia, Brazil 2007

Congress of the European Society for Surgery of the Shoulder and Elbow
(SECEC) Bruges, Belgium 2008

Congress of the European Society for Surgery of the Shoulder and Elbow
(SECEC) Madrid, Spain 2009

11th International Congress of Shoulder and Elbow Surgery (ICSS)

Edinburgh, Scotland 2010

12th EFORT Congress, Copenhagen 2011

Scandinavian Shoulder and Elbow Societies annual meeting Oslo 2011

Advanced Shoulder training course (Cadaver workshop) Boston USA 2011

Congress of the European Society for Surgery of the Shoulder and Elbow (SECEC) Dubrovnik, Croatia 2012
Shoulder training course (Instructor at Cadaver workshop) York, UK 2013
Paris International Shoulder Course Paris France 2013
Congress of the European Society for Surgery of the Shoulder and Elbow (SECEC) Istanbul, Turkey 2014
Shoulder training course (Instructor at Cadaver workshop) York, UK 2015
Congress of the European Society for Surgery of the Shoulder and Elbow (SECEC) Milano, Italy 2015
Advanced Shoulder training course (Cadaver workshop) Neuchâtel, Switzerland 2015

Publications

The Charnly-Hastings hemiarthroplasty for fractures of the femoral neck with special reference to complications.

Bengtsson S, Olsson C

Hip International vol. 6 n.4 1996I.

Increased mortality after fracture of the surgical neck of the humerus-a case-control study of 253 patients with a 12-year follow-up. Olsson C, Nordquist A and Petersson C. Acta Orthop Scand 2003;74 (6): 709-712

Morbidity in patients with a proximal humerus fracture - a population-based case-control study of 728 individuals. Olsson C, Nordquist A and Petersson C. In manuscript, resubmission.

Increased fragility in patients with fracture of the proximal humerus: a case control study. Olsson C, Nordquist A and Petersson C. Bone 34 (2004) 1072-1077

It is possible to predict the long-term results of a proximal humerus fracture after one year. A 13-year prospective population-based follow-up study of 47 patients. Olsson C, Nordquist A and Petersson Acta Orthop Scand 2005; 76 (3):397-402

The prevalence and significance of comorbidity in patients with a proximal humerus fracture. A population-based prospective study of 100 patients. Olsson C and Petersson C. Clinical Orthopaedics and Related Research 442:93-99, January 2006

Acute limb ischemia after a proximal humeral epiphyseal fracture: intraoperative findings of an illustrative vascular lesion.

Wenger JD, Olsson CJ J Shoulder Elbow Surg 2011 Apr, 20(3):Epub 2011 Jan 13

Reviewer

Manuscript No. COOR-D-04-01025

“Valgus Impacted Four-Part Humerus Fractures”

April 2005 (Clinical Orthopaedics AND Related Research)

Manuscript #1318/4/2005

“Results of Surgery in displaced scapular neck fractures”

Dec 2005 (Medical Principles and Practice)

Manuscript#1528/2/2006

“Classifying Intertrochanteric fractures of the Proximal Femur. Does experience matter?” May 2006 (Medical Principles and Practice)

Employment as researcher

Participated as primary investigator in the Fosamax & Vitamin D Combination Study Protocol no.227 July-2003-Dec 2004

Invited investigator for HTA analysis of subacromial pain, metaanalysis of currant evidence

Södra Sjukvårdsregionen 2017-2019

Major lectures

Third National Meeting in Major Trauma in Malmö Sweden; 18-19 October 2001

Open fractures Major trauma convention in Malmö; Nov 2004

Shoulder arthrosis; 3-7 Oct 2005, Residents course

Shoulder injuries, Residents course; 28 April 2006 Primary organizer

Epidemiology on Proximal Humerus fractures, with special reference to mortality, morbidity and fragility

3: d Combined Danish-Swedish meeting on Shoulder- and elbow surgery
Foresta Lidingö Stockholm Sweden, 4-5 May 2006

Conservative treatment. It is possible to predict the long-term result after a proximal humerus fractures after one year.

A 13-year prospective population-based follow-up study of 47 patients.

3: d Combined Danish-Swedish meeting on Shoulder- and elbow surgery
Foresta Lidingö Stockholm Sweden, 4-5 May 2006

Conservative treatment of proximal humerus fractures.

Summed-meeting Helsinki Finland 17-18 Aug 2006

Shoulder arthrosis; 2-6 Oct 2006, Residents course

Symposium, "Speciality day" Svenska Skulder- och Armbågssektionen (SSAS)
Proximala humerus frakturer Umeå 2007

Primary organizer of the "Axelina" course Malmö 2009

Primary organizer of residents course (SK-kurs) in "Skuldrans sjukdomar och skador" Malmö 2009

Clinical importance of comorbidity in patients with a proximal humerus fracture
Edinburgh, SECEC Edinburgh Scotland 2010

Primary organizer of residents course (SK-kurs) in "Skuldrans sjukdomar och skador" Malmö 2010

Primary organizer of the "Axelina" course Malmö 2011

Shoulder Academy Avancerad kurs/Axelkirurgi Etapp I-III

Uppsala-Malmö 2011-2012

Proximal humerus fractures in elderly Symposium, EFORT Copenhagen.
May 2011

Primary organizer of residents course (SK-kurs) in “Skuldrans sjukdomar och skador” Malmö 2011

Primary organizer of the “Axelina” course Malmö 2012

Svenska Skulder- och Armbågssektionen (SSAS)
Classification of proximal humerus fractures
Stockholm april 2012

Primary organizer of residents course (SK-kurs) in “Skuldrans sjukdomar och skador” Malmö 2012

Shoulder Academy Avancerad kurs/Axelkirurgi Etapp I-IV
Uppsala-Malmö-Raynham Massachsetts USA 2012-2013

Shoulder injuries, Residents course; 2012 Primary organizer

Primary organizer of residents course (SK-kurs) in “Skuldrans sjukdomar och skador” Malmö 2013

Primary organizer of the “Axelina” course Malmö 2013

Primary organizer of residents course (SK-kurs) in “Skuldrans sjukdomar och skador” Malmö 2014

Primary organizer of residents course (SK-kurs) in “Skuldrans sjukdomar och skador” Malmö 2015

Shoulder Academy Avancerad kurs/Axelkirurgi Etapp I-IV
Uppsala-Malmö-Hamburg 2015-2016

Fractures of the proximal humerus in osteoporotic bone”
SECEC Berlin 2017

Head lecturer of the “Axelina” course Nyköping 2017

Head lecturer of the “Axelina” course Falun 2018

Shoulder Academy Avancerad kurs/Axelkirurgi Etapp I-IV

Uppsala-Malmö 2017-2018

Head lecturer of the “Axelina” course Örebro 2018

Head lecturer of the “Axelina” course Karlskoga 2018
